

Laughter is the Best Medicine
On Friday E5 and I went to
the under cover area for
^{laughter}laughter is the best medicine
When we got there, there
was ~~music~~ music! The two
ladies^{ie} were setting up a
puppet show! At the start
it was really funny! It was
about a girl who had
cancer, and her medicine
made her hair fall out,
and go really skinny.
At the end there was two
messages! One of them was
it's uncool to be ^{cruel}cruel. The
girl had a blood cancer
called leukemia. The other
message was it doesn't matter
what's on the outside it's all the
