THANK YOU

I’d like to welcome Bridget, Lou and Larissa to our school canteam! Thank you for giving up your precious time along with our regulars Lorrie, Gaye, Sarah, Stacey, Renee, Peta and Fiona. Your support makes it possible to provide a healthy and varied menu in the canteen.

Thank you Fiona, Kylie, Tammy, Sarah AND Lorrie for your help during the Naplan promo and Sarah and Lorrie for the Superhero day.

A special thank you to Jake Robinett who was able to help out during term 2. I hope you have gained useful experience and I wish you all the best in your future endeavours.

I would like to extend a huge thank you to Natalie who after volunteering for three years in the canteen has now moved on to full time work. Thank you for your support.

Thank you to Sarah, Jake, Fiona and Gaye for Crazy Food Art Week, it was a lot of fun being creative with food.

LET’S COOK COOK BOOK

Thank you to those who have submitted their recipes. Your children will be thrilled to have their name in the book. We will be putting it altogether in the holidays, so for any last minute recipes send to svps_canteen@iinet.net.au.

Thank you, Teresa, Canteen manager 9294 3347

School Banking Day Reminder.

Don’t forget that Thursday is School Banking day and students should bring in their weekly deposit to C block near C1.

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. Once students have individually collected 10 tokens they can redeem them for an exclusive School Banking reward item in recognition of their continued savings behaviour.

Thank you for supporting the School Banking program at Swan.View P.S.
Thursday's Maths and Engineering Class. Challenge: Build a structure from straws that would allow a raw egg to be dropped from at least 2 metres and not break. After designing and building our own egg drop structure, we made another one from pentagons.

We are working with Scitech and Fluor Engineering to build a Food Sculpture made from cans of food. Then we're going to donate the cans to Foodbank. We are using a pyramid to learn how to calculate area, perimeter, volume and scale models in preparation for the Food Sculpture challenge.

By way of reviewing the Jump Off on Wednesday, the Year 5/6 students contributed to a think tank using the 6 “thinking hats” of DeBono. Read and enjoy. Thank you Mr Durant, what a great deal of enthusiasm you bring to the school each year.

From the Rooms EC5

Farewell Mrs Hogan, our Year 1 teacher. Mrs Olga Hogan is taking her long service leave for the whole of term 3. We will all miss her and send our warmest wishes for a great holiday. Enjoy your gardening and all the time you will get to catch up on your reading. I’m sure Mrs Hartzer will look after our year 1s just as well.

Volleyball News by Mrs Ingham

The 2015 Swan View Primary School volleyball team had an awesome win against St Anthony’s on Friday, including a nail biting 21 to 20 win. The skills of everyone in the team really lifted over the course of the term, with many perfecting their serves from the back line. Overall, I was impressed with the level of sportsmanship and sense of team that the group displayed. Their confidence really grew and their ability to return the opposition serves saw many intense volleys.

Well done to you all! (Mrs Bev Ingham)
