Dear Parents, Carers and Staff

EDU DANCE
Dance lessons are well under way. How delightful it is to listen to the music pumping through the school every Wednesday and Thursday and to see the children enjoying the dance program with such enthusiasm. On the days of our special end of term concerts you will certainly get a big surprise.

LOST PROPERTY AND LABELLING UNIFORMS
I have complained about parents not naming children’s clothing many times before. We simply cannot reunite lost articles with their owners unless we have a name to go on. However, on the other side of the ledger we have parents who mark their children’s clothing and still they disappear. Parents, if your child brings home someone else’s uniform please do the right thing and return it to the school. Teachers, you can help find a solution to this problem by reminding the children to put jumpers into school bags and every now and again ask the children to take their jumpers off in the classroom and you check to make sure that the names are on them and that they have their own jumper and not someone else’s. There are permanent markers in the office, get one if you need it. The lost property box is in the First Aid Room. Come up and check whenever you have the time.

LUNCHES
As I walk around the school when the children are eating lunch or morning tea, I do notice that there is a lot of junk food given to the children. It is more expensive to buy all this pre packed food. How about ensuring that we have fresh fruit and vegetables, like cut up carrot, so that we can support healthy eating.

BOOKWEEK
It is Bookweek next week and Tuesday is the day that we all come dressed as our favourite story book character.

SCIENCE TABLOID DAY
On Wednesday we have our Science Tabloid day. Miss O has organised Science activities for Kindy to Year 2 and Mr P has set up Years 3 to 7. Our tabloid day is supported by Fluor Engineering and Scitech and representatives of both companies will be out to join the fun. During the lunch break there is a special scientific exercise for Years 4 to 7.

PARENT NIGHT
Will be held on Wednesday from 5pm to 7pm. You are all invited to have a look at your children’s work and to have a few moments to spend with the teachers. Each class teacher will be available for a friendly hello but if you have more serious issues to discuss please make an appointment, that way the teacher will get to say hello to more parents and carers.

NETBALL
Thank you to Susie Arndt and Gaye Vincent for taking the netballers to the carnival on Friday.

Cheers
Marg.

Women’s Health & Family Services will commence Art Activities on Monday the 18th of August 2014 at the Swan Children & Family Centre (Cockman Cross, Stratton) from 10am to 12pm. Bring a friend or come and meet new friends, everyone is welcome to come along. For further information please call Mel at the centre on 9274 5101.

Book Week 2014 (18th - 22nd August)

Book week is just around the corner! Since the start of term the students have been participating in a wide range of activities that relate to Book Week while highlighting the importance of reading. They are getting ready to show off their work based on nominated books and the theme.

"Please note: There will be no parade"

‘Connect to Reading’.

During Book Week (18th - 22nd August) the library will be full of interesting activities, competitions and children’s work for all students and parents to enjoy. In addition, this year Swan View Primary will celebrate the week by encouraging students to dress up as their favourite book character on Tuesday 19th of August.

We cannot wait to see the creative ideas and costumes the students develop.

**Freo Footy Skills State Final**

During the last school holidays, some of our students attended the state semi-final of the Freo Footy Skills program at Fremantle oval.

I am very proud to announce that we had 3 of our students make it into the final which will be held at the Fremantle Dockers last home game against Port Adelaide.

A huge congratulations to Ivy Sheedy and Ffeon Turner who are in the final of the Kwick Kick, and to Kyanne Beagley who is in the final of the Long Bomb for year 4 girls. I don’t think it is a coincidence that all 3 of these girls play AFL on the weekends - I hope it will encourage more girls to play our fantastic national game.

Best of luck to all of you in the final and I hope you see the Dockers have a great win too.

**New Uniforms for Our Netballers**

I would like to say a BIG thank you to the Swan View Primary School P & C who very generously donated the full cost to buy uniforms for our 2 school netball teams. These will be used at the upcoming regional netball carnival this Friday and then for our school competitions in future years.

We now have new uniforms for our Netball, Basketball and Soccer teams, so on top of performing very well, they all look fantastic too.
