- Fame Academy
- Media-Arts-Design ‘MAD’
- MotorV8
Collect an enrolment package from your front office today!

GUITAR LESSONS TERM 3
Guitar lessons will commence in the second week of third term and will take place on a Monday. I have been very disappointed to discover that the Year 7 students who were offered a place in this free tuition program have not carried through with the commitment to practise or to attend lessons. The guitar teacher has offered to allow Year 6 students, who have a more positive attitude and a desire to learn, to join the program for Semester 2. If your Year 6 child has the right attitude, an acoustic guitar and a commitment to practise pieces of music, please call me on 9294 1522.

SCHOOL MOBILE APP UPDATE
The school's mobile app for both iPhones and Androids has been updated. Please visit the Android and Apple Store and update the Swan View PS App. Android users also need to clear the app data by going to the phone settings menu, Applications/Apps and select the app then choose ‘clear data’.

PARENT ENGAGEMENT DAYS
On page 3 you will find photographs from the Years 4-7 Parents and students who attended the Parent Engagement Days. I expected the numbers to fall away quite sharply for years 6-7 and we were all pleasantly surprised when 30 plus families were represented. Feedback has been very positive and we plan to hold more sessions for parents during the second semester.

HOLIDAYS
We have all had a busy semester so make sure you take time to enjoy the children and have a break.
Cheers Marg
Library News by Ms McGinniss

We have had a competition in the library to celebrate WA Day. By reading the library display, the children could answer the questions. Children in years 1 to 3 had to answer the question “How many animals are on the Western Australian coat of arms?” Answer 3. The winners were: 1st Leylani Humphries and 2nd Zoe Fitzhardinge.

Students in years 4 to 7 had the following questions to answer:
- “What is the name of the world’s largest city park?” Answer King’s Park
- “Name the largest rock in the world?” Answer Mount Augustus
- “Broome is famous for 2 world firsts.” Name them.
  Answer: 1. Largest Pearl Industry 2. Oldest operating open air cinema

Congratulations: 1st Ruth Gilbert and 2nd Breeanna Burslem.
These clever children received their book prizes at the last assembly.

Helen McGinniss Library Resource Teacher
Claire Brockway Library Officer

- LA1 Josephinne Fitzgerald, Lana Hull
- LA2 Slade Skidmore, Charli Lupton

Sports
- Sports Kaylen Lynch, Lauchlan Donaldson

Science
- Science Jason McHenry, Shyanne McMiles

Art
- Art Katherine Martin

Parent Engagement Days Years 4/5 and 6/7
Thanks to the many parents who volunteered to sell chocolates for the Year 7 camp to Rottnest in November. Just a gentle reminder that all money raised from the sale of chocolates is due in no later than Friday 27th June. If there is a problem can you please contact the school and let us know and we will be able to make arrangements for an extension. Also I have a number of queries from parents offering to sell extra boxes. If you are a parent of children in Pre Primary to year 6 and would like to order some more packs to sell on our behalf could you please contact the front office and leave your details, including the number of extra packs that you are able to sell. I will place that order in the first week of third term. A separate letter will be sent out to parents who have students in year 7 who will be attending camp and wish to order more packs of chocolates. These will also be ordered in the first week of third term. Once again thanks to everybody for your support in this fundraising venture. 
Mr Ross Tompkins - Deputy Principal

**Shire of Mundaring & Parkerville Children and Youth Care Holiday activities**
