ABSENCES AND ABSENTEE NOTES
The school requires a written note for all absences, if the absence has been communicated by phone this is sufficient.

Withdrawal from physical education and swimming is only sanctioned for medical reasons. A note must be provided before the lesson takes place.

When withdrawing students from school during a school day, you are required to go to the front office, fill in an appropriate form and hand it in to the classroom teacher when you collect your child. If a person unknown to staff is collecting a child on behalf of a parent or carer they will be required to show some form of identification and or written permission.

Students arriving late to school are to collect a late note from the office before going to class.

ASSEMBLIES
Assemblies are held on selected alternate Wednesdays beginning at 2.00pm. The dates of assemblies are published in the newsletters and on the term calendar. During assemblies Honour Certificates are awarded to students for their effort in the classroom. A class item is presented along with reports and announcements. Parents, carers and friends are welcome and encouraged to attend.

BICYCLES AND SCOOTERS
Bicycles with a secure lock are to be placed in the bicycle racks. Bicycles and scooters must be wheeled in and out of the school grounds as riding within the school grounds is not permitted.

The school does not encourage children under the age of 10 years to ride a bicycle, scooter or skate board to school.

BY LAW CHILDREN ARE TO WEAR BICYCLE HELMETS.

CANTEEN
Morning tea and lunch are available from Tuesday to Friday through the school canteen. Orders are to be placed at the canteen before school. The canteen cannot extend credit. Any issues relating to the canteen can be discussed with the Canteen Manageress.

The canteen runs on the goodwill of volunteers. All parents should consider volunteering for canteen duty, even if it is only one day per term.

CHILDREN’S PROPERTY
Valuables and toys are not to be brought to school as the school is unable to accept responsibility for these articles. All items owned by the students, especially items of clothing, must be clearly labelled with a name.

DOGS ON SCHOOL PREMISES
Dogs are not permitted on school property, even on a leash. Dogs and children are unpredictable in their behaviour and the outcome can be serious if a dog feels under threat.

DRESS CODE
At Swan View Primary we expect all children to wear the school uniform. The School Dress Code outlines the policy. See Parent brochure titled “Dress Code”.

The aim of wearing a uniform is to have all children take pride in their school and personal appearances. We ask your co-operation in seeing that your children come to school clean, neat and tidy, wearing the correct school uniform.
Hair that is beyond shoulder length must be tied up. School uniforms are available from the Uniform Shop located in the Canteen. Opening times will be advertised in the school newsletter.

**Hat Policy**
In line with very strong recommendations from the Cancer Council of WA our school has adopted the “No Hat – No Play” policy. Please refer to the ‘Dress Code’ for further information. Students are to wear the school uniform hat available from the Uniform Shop.

**Footwear**
Thongs are not permitted (with the exception of swimming lessons). Students must wear enclosed shoes.

**DUTY OF CARE BEFORE SCHOOL**
Students are to arrive at school from 8.30am onwards. If a child arrives before this time, they must remain in the undercover area until dismissed by a staff member.

**EVACUATION PLAN**
The school has an Emergency Evacuation and Risk Management Plan should an emergency occur.

**EXCURSIONS**
Throughout the year children may participate in a number of excursions to places of educational and recreational interest. Parents will be given notice of upcoming events and the specific educational outcomes. Parents and carers are required to complete the permission slip and health form to enable students to attend.

Children who do not demonstrate acceptable school behaviour will not be able to attend excursions.

**THE WEARING OF FULL SCHOOL UNIFORM, INCLUDING A SCHOOL HAT, IS A REQUIREMENT FOR ATTENDING SCHOOL EXCURSIONS.**

**HEALTH**
Minor injuries or illness during the day are normally treated at school. In more serious instances every endeavour is made to contact the parent to arrange for the child to be collected from school. In extreme emergencies the child may be taken to a doctor or hospital. It is most important that parents always provide updated **EMERGENCY CONTACT NUMBERS**. These numbers are kept on enrolment forms and parents need to ensure that the school office is advised of any changes to addresses or telephone numbers. If your child has been attended to in the First Aid Room, he/she will bring a note home regarding the incident / accident.

**FIRST AID**
Minimal First Aid can be offered by staff. The general procedure is to assist a child to become more comfortable and to return to their lessons. Where the injury or illness is deemed to be beyond minor First Aid, parents will be contacted at home or at work, to decide whether or not the child remains at school. Whenever there is any doubt concerning a child’s condition, the problem is referred to the parents who can then make a decision on the treatment required for their child.

**SICKNESS**
We have no facilities for diagnosing or treating illnesses at school. Parents are asked not to send children to school who are obviously unwell especially when there is a risk of affecting the health of others.
MEDICATION
If at any time you find it necessary to send medication (tablets, inhalers, etc.) to school for your child’s use, please hand the medication to the school office with signed written instructions, as to how the medication is to be administered. Regulations prevent us from dispensing medication without written parental permission.

When a child requires medication or treatment for more than three days, parents are required to complete a Medication Request Form and the child’s doctor is also asked to complete a Medication Instruction Form. Please enquire at the office for further information and to collect the required forms.

Please notify us in writing of any medical conditions from which your child suffers in case we need to seek medical assistance. Students with a medical condition require a Risk Management Plan which is written by the parent/carer, First Aid Officer and Principal. Asthma puffers should be left in the office or on the teacher’s desk, not in school bags.

IMMUNISATION
On enrolment all immunisation records must be provided to the school. Children without measles immunisation will be excluded from school during a measles outbreak.

INFECTIONOUS DISEASES
Sometimes children are sent to school when they are unwell. Teachers who are concerned as to the general well-being of a student will confer with Administration Staff.

The following Infectious Diseases summary is provided for the information of all parents:

LIBRARY BAGS
Bags are required for the protection of library books. Children will not be able to borrow books without this protection.
LOST PROPERTY
Children are encouraged to be responsible for their belongings. A lost property box is located in the Administration Block. Named articles will be returned to owners. **PLEASE CLEARLY LABEL ALL ARTICLES such as lunch boxes, drink bottles and bags.** Items not claimed by the end of the term will be given to charity.

MONEY
From time to time it may be necessary for money to be forwarded to the school. Please enclose the money in an envelope with the child’s name, class and purpose of the money e.g. swimming, excursion etc.

PARENTS AND CITIZENS’ ASSOCIATION
The Swan View P & C has rendered great assistance to our school. It is composed of parents interested in providing the best possible education for our children. A friendly committee creates good community spirit and deserves your support and enthusiasm.

Regular meetings are held in the school staffroom at 7.30pm twice a term. These meeting dates are published on the Term Planner. The P & C welcomes you to attend any meeting as new ideas and input are always appreciated.

PARENT CAR PARKING
The staff car park is available only to staff members and on-site workers. Parking is available in Rhine Way and on Morrison Road. Parents picking up children after school are requested to take great care and to observe all traffic rules. It is of vital importance that children do not walk through the staff car park or dart out between parked cars. Please do not drop children off in the car park driveway, nor park in the bus bay.

PARENT TEACHER MEETINGS
Parents and carers are encouraged to approach staff concerning their child’s progress or behaviours. It is preferable that an appointment is made with the classroom teacher to discuss relevant issues.

SCHOOL PHONE APP
The primary school has a phone app that can be download from either iTunes or PlayStore. You can access Newsletters, Term planners and minutes through the app and also notify the school of any student absences. The school can notify parents who have downloaded the application with notifications on activities happening around the school. To download the app just search for SwanView primary school.

SCHOOL BAGS
School bags of a suitable size are necessary items to protect books and materials carried to and from school. Bags should be clearly labelled with your child’s name.

- A P & C Representative
- The School Principal
- A Parent Representative

SCHOOL CROSSING
A school crossing is supervised by a crosswalk attendant on Morrison Road. Please ensure that your children use this service. If crossing the road with parents, it is still a requirement to cross the road at the supervised crossing.

SCHOOL NURSE
The school nurse visits the school regularly to carry out routine medical checks. Parents are notified if their child requires attention. In some cases teachers may refer students to the Nurse.

SCHOOL PSYCHOLOGIST
A School Psychologist is appointed to the school each Friday to assist children with learning difficulties or behavioural problems. Referrals to the School Psychologist are made by the Principal in consultation with teachers and parents.

STUDENT BEHAVIOUR POLICY
The school's policy is to encourage positive student behaviour. This system focuses predominantly on developing individual responsibility and self control and implements behavioural consequences. See the Parent brochure titled - ‘Managing Student Behaviour Policy’. Our school believes in ‘positive talk’ to all children in our classes, in the playground and at home. We encourage children at Swan View to discuss their ideas and feelings positively with others through; appropriate language, no swearing or use of ‘bad’ words, taking turns to talk, listening to others, social conventions of conversations (eg body language), group or class discussions, role play and social stories. We use strategies such as; I like the way you said... That is great school talk, I can see your feel angry, let us use our ‘school talk’ words to solve the problem. Adults both at school and at home should be positive language role models for children. We need your support in promoting positive ‘School Talk!’ Please support the school at home by talking to your children about what is appropriate language and behaviour to use at school.

STUDENT MOBILE PHONES AND ALL OTHER DEVICES
The policy for our school states that devices such as mobile phones, iPods, iPads or any technology based devices must be handed into the office and signed for when they are collected after school. The school is not responsible for mobile devices should they be stolen or vandalised.

STUDENT REQUIREMENTS
The school provides most text books, art materials, mathematics and science equipment. Some materials will be on the Student Requirements list. Parents are expected to provide daily consumable items, to be replaced as necessary. The Student Requirement list is sent home in Term 4 and parents are advised of where these items may be purchased.

SWIMMING LESSONS
Department of Education and Training swimming classes are held in Term 4 of each year. It is expected that all children attend these lessons unless there is a medical reason for their withdrawal, in which case a note is required.
Lessons are held over a two week period at the Bilgoman Pool in Darlington.

TRANSFER OF STUDENTS
When children are leaving our school, parents are requested to give the school one weeks notice in writing. This provides adequate time to ensure that all records, books, medical cards, reports, etc. have been completed or checked prior to the child’s departure.
