

CHILD AND PARENT CENTRE MIDDLE SWAN TERM TWO

28th of April to 4th of July

Other services and programs may be added throughout the term, please keep an eye on our closed Facebook group for these updates

MONDAY

Bubbacinos

9.00am to 10.30am
0 to 4 years

Encouraging our little ones to play, grow and explore with other children while learning about development milestones.

Bouncing Beats

11.00am to 12.30pm
18 months (walkers) to 4 years

This session is focused on dance and movement. A jam packed session to build spatial awareness, balance and gross motor skills. Come along to move and groove with your child.

TUESDAY

Tic Tac Tots

9.30am to 11.00am
0-24 months

A safe space to explore early development milestones in fine motor and gross motor development and link families to local Child Health Nurse Services.

Targeted at children aged 0 to 24 months.

Sing and Play

11.30am to 1.00pm
0 to 4 years

Singing rhymes and songs is a great way to bond with your child. Singing will help your child learn to talk, build vocabulary and develop essential listening skills.

WEDNESDAY

Bubbacinos

9.30am to 11.00am
0 to 4 years

Encouraging our little ones to play, grow and explore with other children while learning about development milestones.

Sing and Play

11.30am to 1.00pm
0 to 4 years

Singing rhymes and songs is a great way to bond with your child. Singing will help your child learn to talk, build vocabulary and develop essential listening skills.

THURSDAY

Bubbacinos

9.30am to 11.00am
0 to 4 years

Encouraging our little ones to play, grow and explore with other children while learning about development milestones.

Storytime Playgroup

11.30am to 1.00pm
This session focuses on promoting early literacy skills for your little one. Explore a different book each week and

FRIDAY

Multicultural Playgroup

9.30am to 11.00am
0 to 4 years

Come and meet families in a safe and nurturing environment where children can play and learn.

Bouncing Beats

11.30am to 1.00pm
18 months (walkers) to 4 years

This session is focused on dance and movement. A jam packed session to build spatial awareness, balance and gross motor skills. Come along to move and groove with your child.
